About our Company

www.spmasia.com/AboutOurCompany.php

Established in 2001, SPM is an ISO 9001:2015 certified company that has been providing low to mid volume high precision contract manufacturing services to our customers in Asia-Pacific, Europe and North America for over 14 years.

assemblies, these services include:

- High precision CNC milling and turning.
 - SPM has a variety of 3 and 4 axis CNC vertical and horizontal mills from some of the world's best machine tool manufacturers.
 - Likewise, we have a variety of world class quality CNC lathes.
- Design development support as necessary.
- Sub-vendor qualification and management.

SPM can offer our customers the quality of world class manufacturing and engineering technology along with the cost savings possible in a low labor cost country.

We have experience machining a variety of materials:

- Mild steels.
- Tool steels
- Stainless steels
- High strength alloy steels.
- Exotic high nickel alloys.
- Engineering plastics.
- Aluminum alloys.

About our People

www.spmasia.com/AboutOurPeople.php

There are many great people at SPM who contribute everyday to our success, and we regret that we don't have the space to talk about each and every one of them here.

But here are a few of our people you're most likely to have contact

Yong Khor Wah: email: yongkhor@spmasia.com

Graduated 1988 with a Bachelor of Science in Electrical Engineering with University Honors from Southern Illinois University, USA.

James (Jim) Laughton: email: jlaughton@spmasia.com

Graduated in 1982 with a Bachelor of Science in Mechanical Engineering with University Honors from Portland State University, USA.

Unnop Tabida: email: unnop@spmasia.com

Graduated in 1997 with a Bachelor of Engineering from King Mongkot Institute of Technology, North Bangkok, Thailand.

CNC Milling

Wire Cutting

For share corners and other difficult to machine feature, SPM has a wire cutting capability.

Welding/Brazing/Soldering Services

www.spmasia.com/Welding.php

SPM can offer a variety of high quality MIG and TIG welding services along with brazing and soldering

Precision Grinding Services

www.spmasia.com/Grinding.php

SPM offers both surface and OD grinding capabilities

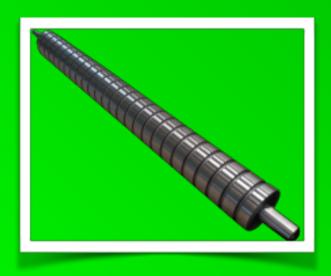

SPM Precision Grinding Services

Machine	Model	X	Y	Z	Units
Surface Grinder	Okamoto PSG 64DX	1,000 mm	400 mm	200 mm	5
Cylindrical Grinder	Okamoto OGM-3100U	1,000 mm	Ø300 mm		1

Assembly Services

www.spmasia.com/Assembly.php

SPM provides manual assembly of mechanical components, machines and electrical control equipment from small sub-assemblies up to complete machine builds.

We supply or purchase some or all of the parts depending on our customer' needs. This includes control panels, control panel wiring and PLC programming when necessary. Take a look at some of the assemblies we do for our current customers.

SPM QC www.spmasia.com/QC.php

SPM has a very capable, well staffed and well equipped Quality Control Department to ensure that customer specifications are met.

Quality is integral and built into our process. Even so, we always check.

The equipment list below is always evolving to meet our customers'

SPM QC Description Quantity Accuracy Range (mm) (mm) CMM 0.001 y: 0 570 420 VMM 0.001 0 - 300 0 - 200 y: 0 - 150 60X Microscope 1 0 - 2000 - 75 y: Micro Hite 0 - 400 0.001 Surface Roughness Tester μm 0.1 - 12.5 1 μm 0.02 Digital Outside Micrometer 0 - 150 28 0.001 0 - 300 9 0.010 Outside Micrometer Inside Micrometer 0.010 Digital Depth Micrometer 0.001 0 - 1500.050 Vernier Caliper 0.020 Vernier Caliper 0 - 1,000Vernier Caliper Vernier Caliper 0 - 200 13 0.020 Digital Caliper 0 - 6000.010 Digital Caliper 0 - 300 2 0.010 Digital Caliper 0 - 20063 0.010 0 - 150 0.010 Digital Caliper 1 0 - 300 0.020 Dial Caliper Dial Caliper 0 - 2002 0.020 Dial Caliper Gage 0.010 20 - 150 0.010 Inside Caliper Gage 2 40 Sets Parallel Pin 0.538 - 22.02 0.001 Plug Gage 12.68 - 80 56 0.001 Gage Block 1.005 - 100 0.001 Gage Block 125 - 500 0.001 1 Precision Surface Plate 1,500 X 1,000 0.001 520 X 820 Precision Surface Plate 1 350 X 350 0.001 Square Master Square Master 200 X 160 1 0.002 2.000 - 175.001 0.001 Setting Ring

SPM 9001:2015 Certification

www.spmasia.com/Certification.php

Of course we subject our internal processes to outside review to be sure we are conducting our business according to sound business practices

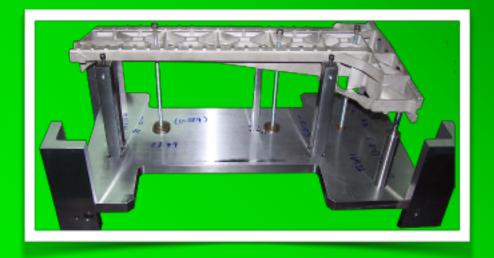

Outsourced Castings

www.spmasia.com/Castings.php

SPM sources and machines castings in a variety of materials.

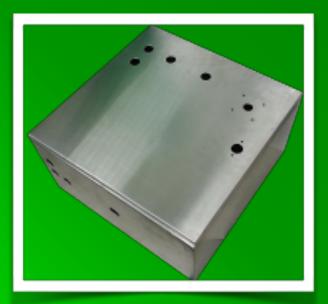

Outsourced Fabrications

www.spmasia.com/Fabrication.php

SPM can source a variety of fabricated parts and assemblies

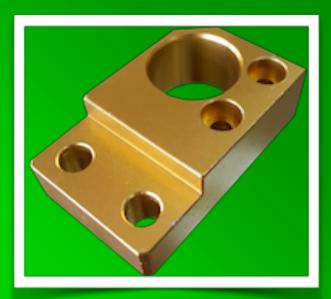

Outsourced Surface Treatments

www.spmasia.com/SurfaceTreatments.php

A variety of surface treatments such as plating, powder coating and anodizing are available.

Contact Us
